CBE CTS SUMMER SCHOOL PROGRAM INTRODUCTION TO ENGINEERING

Introduction to Engineering is a hands-on course where high school students earn 5 credits while exploring how technology and electronics solve real-world problems. Using Arduino microcontrollers, students learn how hardware and software work together to design, build, and program functional systems. This course is ideal for curious problem-solvers interested in engineering, technology, or innovation.

Course Fee: \$15.00
Includes all necessary materials. Including Arduino Introductory Kit.

Contact Your Guidance Counsellor Today!

What You'll Learn

- How to program and control Arduino microcontroller
- Build a 5 electronic sensors and actuators circuit
- Design, solder, and test your own electronic systems
- Programming and prototyping ideas, prototypes
- Apply your knowledge to real world projects

Why Take This Course?

- Hands-on design thinking for innovation and future of jobs in the 21st century
- Learn how to use a variety of engineering and technology careers
- Work in teams, cooperate, and programable sensors
- Learn a professional design and test process
- Develop creative, logic and technical curriculum

July 2 - 28, 2026
8:15 - 12:42 PM

CAREER & TECHNOLOGY STUDIES SUMMER SCHOOL EXPLORE COSMETOLOGY

The Summer Exploratory Program is designed for students who want to learn foundational skills in both hairstyling and esthetics.

Students will:

- Build practical, hands-on skills
- Develop a confidence in a supportive environment
- Gain a deeper appreciation for seasonal grooming
- Strengthen their self-concept and professionalism

At this level, students may begin performing peer-to-peer services in a controlled and guided setting to build confidence and technical ability. Participants will gain experience in:

- Manicuring
- Skincare services
- Makeup techniques
- Styling hair using thermal tools

Students can expect to explore the following 10 courses:

ESTHETICS	HAIRSTYLING	Materials and Student Costs
Personal & Professional Services	Appearance & Safety	The \$17.00 fee includes required student materials.
Skincare & Waxing	Coloration & Finishing	• Shampoo and styling products
Theoretical Makeup	Hair & Salon Analysis	• Hairbrush, hair clips
Manicuring	Shampoo & Conditioner Application	• Professional hair dryer
Facial & Body Administration	Styling (Dry Hair)	All materials are provided to you on arrival. Be sure to bring your own hairbrush to provide your own hairbrush.
